## Preschool Curriculum Breakdown

### Religion

- Daily
- We pray 4 times a day – morning, afternoon, and before eating
- Religion Book: Good Shepherd
- Throughout the year, Pre-K celebrates the major religious holidays, feast days, and the month of May is dedicated to honor Mary
- Pre-K attends monthly school masses with the rest of the school

### Math

- Through one-on-one focus, large group work, and learning centers, we cover the below concepts and skills:
  - Number formation and recognition
  - Understanding relationships between numeral and quantities
  - Counting – students will be able to independently count to 30 by year end
  - Early addition and subtraction
  - Two dimensional shapes; identification, creation, and description
  - Sorting, classifying, comparing, measuring, and ordering

### ELA

- Curriculum → Gold
- Phonemic awareness: initial sound identification, rhyming, manipulation of sounds in a word
- Daily read aloud story time emphasizing questions, main ideas, characters, illustrations, and predictions. Connecting events from story to real life.
- Sequence of events
- Writing a weekly journal?

### Science

- Themes covered include
  - Living vs nonliving things
  - Animals – farm animals, ocean animals, wild vs. domestic, nocturnal animals, hibernation, etc.
  - Plants
  - My Body My 5 senses
